

These are the arms parachuted by America to the rebels forces!

Categories : [Political](#)

Date : October 20, 2015

Finally the deception has come out in the open. The mystery of who is behind ISIS can not be covered any longer. America's true face has been shown to the world. Watch and see what sort of damage their weapons can deliver. So let us ask, who are the real terrorists, is it not the evil power called America?
