

The Paris terror attacks and the battle of Armageddon

Over the course of one weekend, a horrible set of terrorist attacks occur in Paris and by Monday France launches heavy airstrikes in Syria based on "accurate US intelligence". We hope and pray that the intelligence is indeed accurate.

As it has been the case with all acts of terrorism since 9-11, there is already information surfacing, including proof of false passports being used by "terrorists", that this was yet another staged false flag event. Some have already come out pointing circumstances that seem to suggest involvement from the highest levels of government. It appears a very sophisticated cyber attack had actually left the French security incapable of putting together any form of coordinated response during the attacks:

With the West having lost its credibility over the situation in Syria since the start of the Russian intervention, the West seemed to consider fit to re-assertain their commitment to "eliminating ISIS" as their immediate response.

This is now becoming outright dangerous. We sense that under the pretext of responding to the attacks, the West will push for heavy deployment, possibly including ground troops, to Syria and Iraq. France already seems to have started doing so. With Russian troupes build-up also happening, both fighting an elusive group, we wonder what could go wrong?

The armies for the great battle of Armageddon are being assembled right in front of our eyes.

In Revelation 16:13-16 it is written (in a future article we are going to try to expand on the meaning of the following verses):

13. And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet.

*14 For they are the spirits of devils, working miracles, **which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty.***

15 Behold, I come as a thief. Blessed is he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame.

16 And he gathered them together into a place called in the Hebrew tongue Armageddon.
