A very interesting article ! The rise of blockchain and the sinking of the "Titanic", on the background of Trump's rising to power ... Get it? Titanic is the current financial system while Blockchain is ...

"The Final Phase of the Protestant Reformation and Jesuit Counter-Reformation"

More:

"All of this aligns with the rise of Donald Trump as President of the United States. The Trump mandate is overturning the Anglo-American deep state and its network supporting the international liberal agenda."

Wow, Trump himself appears to be the very tool of the destruction of the current financial system and the sinking of the Titanic ...
